## Bicycle and Pedestrian Advisory Subcommittee

Regular Meeting of the Advisory Committee  
 Special Meeting of the Emeryville City Council  
 Old Town Hall – Garden Level Conference Room  
 Monday, October 1, 2012 at 5:30pm

All Advisory Committee meetings are noticed as Special City Council Meetings so that any or all of the City Council members may attend and participate in the Advisory Committee's deliberations. However, actions taken by Advisory Committees are not official actions of the City Council but must be ratified at a regular City Council meeting. All writings that are public records and relate to an agenda item below which are distributed to a majority of the Bicycle and Pedestrian Advisory subcommittee (BPAC) (including writings distributed to a majority of the BPAC less than 72 hours prior to the meeting noticed below) will be available at the Information Counter, 1333 Park Avenue, Emeryville, California during normal business hours (9am to 5pm, Monday through Friday, excluding legal holidays).

All documents are available in alternative formats, on request. In compliance with the Americans with Disabilities Act, a person requiring an accommodation, auxiliary aid or service to participate in this program should contact the Public Works department at (510) 596-3728 or the City's ADA Coordinator, Dominique Burton, at (510) 596-4380, TTY Relay: 711, or at [dburton@ci.emeryville.ca.us](mailto:dburton@ci.emeryville.ca.us) as far in advance as possible, but no later than 72 hours before the scheduled event.
