

FAIR WORK WEEK ORDINANCE EMPLOYER OPEN FORUM WEB LIVE STREAM

We appreciate your participation in the Fair Work Week Ordinance Open Forums. The City is inviting feedback on draft regulations from July 1st through July 31st 2017. The City is sponsoring several open forums to receive public comments on the draft regulations. Public comments can be made at the open forum and/or online throughout the comment period.

We will be using [SKYPE](#) to conduct the live stream of the presentation. You do not need web camera capabilities to join. Skype is a free video-calling platform that needs to be downloaded: [Windows](#) or [MacOS](#). The process is really quick and easy; you can sign-up using your Google account. There is also a web application that can be used from your browser: [Skype for Web](#).

Once you are signed in, find the Menu bar at the top of the screen:

- Click on CONTACTS
- Click on ADD CONTACTS
- Click on SEARCH SKYPE DIRECTORY
- Search for: [Emeryville Open Forums](#)

To join the conversation please use the links below on the appropriate date:

Open Forum #1 - Friday, July 21 @ 12PM (Noon) PST

[Link to Join](#)

Open Forum #2 - Wednesday, July 26 @ 9:30AM PST

[Link to Join](#)

Please note that you will be required to type questions/concerns/feedback through the Skype Chat function. The moderator will then read them aloud to room to be addressed.

Other Tips for Web-Conference

- *HEADPHONES with a microphone recommended - this limits background noise and ensures your answers can be heard clearly.*
- *Please MUTE your mic when not speaking.*
- *A web camera is not required.*

Having trouble? Please contact our moderator for the session directly.
