Policy on Non-Discrimination on the Basis of Disability

The City of Emeryville does not discriminate on the basis of disability in the admission or access to its programs or activities. An Americans with Disabilities Act (ADA) Coordinator has been designated to coordinate compliance with the non-discrimination requirements contained in the Department of Justice regulations implementing Subtitle A of Title II of the Americans with Disabilities Act (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public agencies. In compliance with the ADA, a person requiring an accommodation, auxiliary aid or service to participate in this program should contact the sponsoring department or Michael Guina, City Attorney, at 510-596-4380 or mguina@emeryville.org as far in advance as possible, but no later than 72 hours before the scheduled event. The best effort to fulfill the request will be made. All documents are also available in alternative format, upon request.

The Emeryville City News and Activity Guide is published three times a year by the City of Emeryville.

The guide is printed by Folger Graphics using recycled ink, a recycled paper cover, uncoated text pages, and no heat set presses to keep this issue green.

Parks and Recreation make my life better:

PLAY: Safe, outdoor space — For us, the biggest benefit is a safe, outdoor play space for our kids today... and as they grow.

NATURE: Beauty and serenity — Being in nature makes me feel alive. I feel lucky to have this beautiful, serene place so close to home. I want my grandkids to have the same appreciation for parks.

EXERCISE: Healthy movement — Parks are made for moving at my own pace — our family walks, plays and cycles. The recreation programs make it easy to stay healthy.

POSITIVE SPACES: Free-time fun — My neighborhood park is more than a place to chill. It keeps me thinking straight and away from trouble. It's free — and it's really fun.

GATHERING PLACES: Socializing and learning — Parks are like holidays, bringing us together to share good times. They are the common ground that connects us all.

FOREVER: Valued today and always — Parks enrich our lives. They add value to our homes and neighborhoods. Individually and as a community, we’ll always have that need.
Emeryville Child Development Center
1220 53rd Street, Emeryville · 510-596-4343
Hours: 7:30am – 6:00pm, Monday – Friday

ABOUT US
The Emeryville Child Development Center (ECDC) is dedicated to providing children ages four months to five years old with daily experiences filled with learning, laughter, and love. ECDC is operated by the City of Emeryville to provide families living, going to school, or working in Emeryville a safe and caring environment for their children year round.

The center is staffed with teachers who support children’s growth in all areas of development. We provide age appropriate developmental activities. Age appropriate lunch and snacks for all ages are served. The center also boasts some of the best caregiver to child ratios anywhere in the Bay Area. Opportunities abound daily for each child to explore, create, experiment, and savor the rewards that come with success!

WHO CAN ENROLL
Priority will still be given to families that live in Emeryville, work in Emeryville, have children in the Emery Unified School District, or live in the 94608 zip code. Verification of residence or employment is required when enrolling. The Center also participates in a State subsidized program that allows for families in need to participate. Please call to set up a tour; space is limited.

About us: slaing@emeryville.org or call (510) 596-4343.

For more information on our programs & services, visit our website at http://emeryville.org/ecdc.

THE “REC” TINY TOTS LEARN & PLAY PROGRAM

Session 1: Jan. 6, 2020 - Jan. 31, 2020
Session 2: Feb. 3, 2020 - Feb. 28, 2020
Session 3: Mar. 1, 2020 - Mar. 30, 2020
Session 4: Apr. 1, 2020 - Apr. 29, 2020
9:00 am - 11:30 AM | Mon/Wed/Fri
$137R/$142NR per session

The Tiny Tots Learn and Play Program is designed to support the academic, social, physical and emotional growth of your toddler aged youth. We engage our tiny tots with academic games, group and creative play in a warm and supportive environment. Program is led by a trained professional specializing in early childhood learning.

The instructor shall determine the readiness of a child to participate in the program (Note: Child has to be 3 years old and potty trained). There are new policies and procedures for enrollment, payments and waitlist this year. Limits and deadlines apply so don’t delay, sign up today!

Location: ECCL Kinder Buddies Room | Min: 7/Max: 10
Registration deadline is 2 weeks prior to each session.

Program is closed on the following dates:
Jan. 20 & Feb. 17
The City of Emeryville Rec Expanded Learning Program provides a positive academic and social environment for all students to learn, grow, and thrive each school day. Our program will reinforce school day concepts and improve your child’s retention of academic facts. The City of Emeryville Rec Middle School Expanded Learning Program is the perfect place to send your early teen after school. Get them out of the house and off those devices! We offer exciting, age-appropriate and relevant experiences within a supportive small group environment. Participants will engage in a free choice, club style model that includes leadership opportunities, disguised learning, physical activities, theatre and creative arts. Participants will get opportunities to play and socialize in our famous teen lounge and receive tutoring and academic monitoring within a social-emotional framework.

The “Rec” Expanded Learning Programs:

- More than 70% of students in all TK-8th grade school programs can press more meaningful knowledge about STEM in science. They also build essential skills, such as perseverance and critical thinking.
- 68% of students improve their homework completion and class participation.
- 9 in 10 students improve their math and reading grades.
- 1 in 2 students improve their math and reading grades.
- 60% of students improve their overall academic performance.

The City of Emeryville is excited to provide an all sports co-ed clinic for 5-12 year olds. Each day will be dedicated to a popular sport (Flag football, t-ball, soccer and pickelpal). Students will start the day with a warm-up and then go into, rules of the game, drills and get to play a scrimmage together. Teamwork, leadership and good sportsmanship principals will guide your players experience. Come out and play with the “Rec”.

We offer a $10 a month sibling discount for families on our after school program!

CO-ED YOUTH BASKETBALL

Every young person should experience what it's like to be on a team and this is the perfect opportunity! Youth from all over are welcome in the City of Emeryville’s co-ed youth basketball program. Players will learn the rules and skills of basketball for half the program and then play tournament style for the remaining half. Games will be in a ‘fun-petitive’ spirit and we can’t wait to see your players shine on the court!

FAQ

Why should I pre-register for activities?

Almost all activities require pre-registration. Without pre-registration, our staff will not be able to have the correct supervision or supplies to make sure you have a great experience. Note: A few of our community/special events and senior activities do not require pre-registration. These will be noted in the activity/event description.

How do I register for youth, adult, and senior activities/events in Emeryville?

There are four (4) ways to register:

ONLINE: Please visit www.emeryville.org/register to register for almost any program! CivicRec requires immediate payment, so make sure to have your debit/credit card or electronic check handy. Avoid wasting gas, paper, and time waiting in line…register online today!

WALK-IN: Register in-person weekdays at the Emeryville Center of Community Life (9:00am-6:00pm) or Veteran’s Memorial/Senior Center (9:00am-5:00pm) for almost every activity and event. Be sure to bring your checkbook or credit/debit card too, fees are due in full to register for a program. If you also want to save time, please download a registration form from http://www.emeryville.org and pre-fill all of the activity information before you arrive.

MAIL: Cut out the registration form on page 10, complete the registration form and sign the waiver, and mail the form with full payment to the ECLL 4272 San Pablo Ave for Youth Classes or the Senior Center, 4321 Salem Street for Adult/Senior Classes (both addresses are Emeryville, CA 94608). We do not accept registration or credit card information by email, fax, instant messenger, chat, or any other insecure means.

Why should I become a member of the Senior Center?

Membership is only $25 per year, and entitles you to enjoy the many activities, events, and trips organized by the Senior Center. Members also receive ‘The LINK,’ a monthly newsletter that gives up-to-date activities, events, and trips organized by the Senior Center. Membership is open to residents and non-residents alike, so stop by the Senior Center to fill out the form or download it at http://emeryville.org/50-Adults

Emeryville Community Services Department Program Class Refund & Cancellation Policy

Refunds and cancellations will only be considered if they are requested within 14 days prior to the start date of the scheduled activity. In the event the Community Services Department cancels a class or program (due to inclement weather, low enrollment, etc.), a refund or make-up program will be offered. If the participant is unable to attend a class or program due to personal reasons outside of the dates specified, a refund or make-up lesson will not be granted (including pro-rated refunds).

A $10.00 administrative fee will be applied, per customer, for each refund/cancellation. This fee may be deducted from the total refund amount if requested.

If a certain specified senior trip refund must be requested within 30 days prior of the date of the trip. These will be specified in the Senior Center Newsletter “The LINK.”

# MARTIAL ARTS

## Capoeira

Capoeira (capo-AY-rah) is an Afro-Brazilian martial art that combines music, dance, acrobatics and self-defense. Due to its African roots, music and songs accompanied by percussion are an integral part of each class. Capoeira gives you power, flexibility, endurance and allows for self-discovery that builds your self-confidence. The challenge is within anyone’s reach regardless of age, gender or prior martial arts experience. Classes are available for kids ages 5-7 (capo-kids), 7-12 (young warriors) and teens/adults in the regular capoeira class. Visit Malandro’s website at www.capoeirabayarea.com for more information about Capoeira.

### CAPO KIDS

The “Capo-Kids” program is geared towards children ages 5-7. Children learn basic capoeira movements and music in a fun and playful environment. The methodology used not only helps them to develop basic attack and defense skills and increase coordination of muscle groups, but it will also put them on a path to a mentally strong and physically active lifestyle.

### YOUNG WARRIORS

The Young Warriors is a capoeira youth program focused on developing discipline, respect, body awareness, confidence and social skills in a supportive and positive atmosphere. Capoeira is a community based art form that welcomes everyone from all ethnicities, ages or athletic ability.

### SAMBA & DANÇA AFRO

You have to do it to feel it. Immerses yourself in the spirit, history, beauty and technique of dance from the African diaspora with a focus on Brazil, Cuba, and the USA. Sweat and work muscles you didn’t know you had while increasing cardiovascular endurance.

## Iaido

Iaido is a classical Japanese martial art that is over 400 years old and focuses on drawing and using a samurai sword. The original purpose of iaido was to counter a surprise attack, but nowadays it is an excellent system for developing awareness, calm mind, and mental and physical harmony through the practice of traditional sword techniques.

## Kajukenbo Kung Fu

Kajukenbo Kung Fu is an eclectic, modern martial art founded in Hawaii in 1947. Kajukenbo was created as a new fighting system that emphasized effective skills for self-defense within the framework of graceful and powerful movement. Kajukenbo classes at the Senior Center welcome everyone from brand new beginners through black belts. More information at: https://oaklandkajukenbo.com/

## Aikido Kokikai

Aikido is a Japanese martial art for self-defense. Aikido uses throws, joint locks, and pins for self-defense against chokes, holds, strikes, or weapons. It is not reliant on physical strength or size. Kokikai Aikido features a training system intended to develop effective self-defense and mastery of self. Each class generally consists of warm up and development exercises, rolling and falling practice, and self-defense techniques in pairs or small groups. Please wear comfortable yoga/ workout clothing. This class is for beginners through black belts, no prior martial arts experience necessary.

## All Ages, Advanced Training

Brown and black belts ranked in Kajukenbo for advanced basics, weapons and forms practice.

Students age three to pre K 5 year olds study Kajukenbo in an age appropriate setting and engaging, structured curriculum. Students learn to generate power while developing self-control and balance. The class introduces a framework for self-defense training in a fun and warm manner.

## All Ages, Beginners and Intermediates

Students of all ages and from new beginners through green belts warm up together then divide by rank for study of Kajukenbo basics and forms.

Vehicle Security Check

Every year, the number of victims reporting property stolen from unattended vehicles increases, especially at retail areas. In addition to the Police Department’s enhanced enforcement efforts, the best way to stop these thefts is to remove all property from your unattended vehicle and by doing so you will remove the opportunity for crime. To reduce crime and ensure safety, police officers are checking vehicle security in the area.

Vehicle Security Tips:

• When possible, park your vehicle where you can see it.
• Remove ALL property from unattended vehicles (remove the opportunity for crime). Plan ahead. If you cannot take property with you, leave it at home.
• Always lock your vehicle and take the keys.
• Don’t leave a hidden key on or in your vehicle.
• At home, park your vehicle in the garage; remove all personal property and lock your vehicle.
• If you cannot park in a garage, park as close to your house as possible and under a light. Remove all property and lock your vehicle.
• Be the eyes and ears of your area by calling the Police Department for suspicious activity or to report a crime 24/7 at (510) 596-3700.
• Call 9-1-1 in an emergency or crime in progress.
The South Bayfront Bridge Project constructs a 227’ Steel Arch Suspension Bridge over Union Pacific Railroad tracks for pedestrians and bicyclists. The project also builds the 2 acre Horton Landing Park converting former Southern Pacific Short Line Railroad right-of-way into a linear park. The park will extend the Emeryville Greenway approximately 1100 feet south from Horton Street and Stanford Avenue.

The City Council awarded this $21 Million Project to Ghilotti Construction of Santa Rosa, as low bidder, and pursuant to State and City Contract Laws.

The City Council awarded this $21 Million Project to Ghilotti Construction of Santa Rosa, as low bidder, and pursuant to State and City Contract Laws.

As of mid-September 2019, the project is in the setup stage. Meaning specific plans and shop drawings are being prepared, permissions to enter adjacent properties and getting some outstanding permits are still being sought.

Site cleanup is expected to occur between now and the end of the year. That work involves clearing vegetation and facilities that currently exist on the project site which will not be re-used and removing contaminated soil and replacing it with clean fill. Work on project structures, the Arch span and stairs and ramps providing connection to the span, will take up the bulk of the time allotted for the project. That work will not begin until early 2020 with work starting next to the Bay Street Shops and Residences. A very preliminary schedule indicates the project work will extend into the 3rd Quarter of 2021.

2019-2024 Local Hazard Mitigation Plan Adopted by the City Council

The City’s 2019-2024 Local Hazard Mitigation Plan which was approved by FEMA in April pending formal adoption by the City was formally approved by the City Council as an amendment to the General Plan on September 3, 2019. The Local Hazard Mitigation Plan (LHMP) identifies hazards to the community, assesses the City’s vulnerability to those hazards and identifies specific actions that can be taken to reduce the risks associated with each hazard. It also identifies projects that could potentially reduce risks in the community from these natural and man-made hazards. The City is required to adopt a LHMP every five (5) years under the Federal Disaster Mitigation Act. A copy of the 2019-2024 plan can be found on the City’s website www.emeryville.org under Residents/Disaster Preparedness/Local Hazard Mitigation Plan.

Income-qualified residents who own a model year 2004 or older vehicle can receive up to $9,500 to retire their old vehicle and purchase or lease a new or used hybrid or electric vehicle or a pre-loaded Clipper card.

Go to this website to see if you are eligible and to submit an application: http://www.baaqmd.gov/funding-and-incentives/residents/clean-cars-for-all/apply

Green Monday founder David Yeung congratulates Emeryville on adopting a “Green Monday” policy, meaning City meal programs will offer plant-based foods every Monday (or another day of the week). This will enable participants in our preschool, K-12 school, and senior center programs to become familiar with plant-based food options and perhaps adopt some new, healthy, environmentally positive food habits. The City Council’s meals will be entirely plant-based.

This effort is based in part on the knowledge that livestock production accounts for more greenhouse gas emissions worldwide than the entire transportation sector, and cutting meat and dairy products from your diet can reduce your carbon footprint by 73%.

Restaurants are encouraged to add plant-based items to their menus will be issued Green Monday stickers.

The City Council’s meals will be entirely plant-based.

Bird-Safe Building Design Standards Considered

The Planning Commission and City Council held study sessions on bird-safe building design standards in the fall. They may consider adoption of standards in the spring.

Birds control insects and rodents, pollinate plants, and spread seeds. Birds can’t recognize clear glass or distinguish reflective glass from sky. Now that picture windows and glass buildings are common, collisions with glass kill up to 988 million birds per year in the US. Bird-glass collisions can be prevented.

Standards could include glass treatments to reduce transparency and reflection, and lighting design to avoid disturbing flight patterns. Design options to mute reflections including angled glass, channelled glass block, louvres, awnings, and overhangs work in certain situations. Indoor lights could be controlled by timers or motion sensors.

Electric Vehicles:

Pacific Gas & Electric (PG&E) is giving a rebate of $500 to any PG&E electric customer who owns or leases a plug-in electric vehicle (EV). For details and an easy online application, please visit [http://bit.ly/everbate](http://bit.ly/everbate).

Grid Alternatives also offers programs to help lower-income families switch to EVs, thereby saving money and reducing local air pollution. A map of currently available public EV chargers can be found at [www.plugshare.com](http://www.plugshare.com).

Solar Power:

Grid Alternatives also offers assistance to lower-income households and multi-family buildings to install solar power and reduce energy bills. More information is here: [https://www.energyforall-program.org](https://www.energyforall-program.org).

Tsunami Signs on the Marina

You may have noticed that Tsunami Hazard Zone signs were recently installed on the Peninsula and crescent area. According to an assessment done by The National Tsunami Mitigation Program (NTHMP), the National Oceanic and Atmospheric Administration (NOAA) and the US Geological Survey (USGS) the West Coast States of Washington, Oregon and California have a high to very high hazard level of a tsunami occurring.

Lessons learned from the 2011 Japan Tsunami and new tsunami hazard data and mapping tools developed over the past 10 years indicate that Emeryville may have a higher tsunami hazard than was represented in the previous inundation and associated evacuation maps from 2009.

The latest models indicate that a local coastal earthquake greater than M6.5 on the Richter Scale, an earthquake of magnitude greater than 8.5 in the Cascadia subduction zone and/or an earthquake in the Alaska or Aleutians subduction zone greater than M8.5 could all cause a tsunami that could affect Emeryville. The inundation zone, depending on the location and size of the earthquake, could be anywhere from minimal, just affecting the coastline, to an inundation zone all the way up to the railroad tracks.

As the community awaits the development of Sherwin Williams and the community park to be included in the southern most end of the City, there is more to be excited about. Significant new Public Art is to be included in the site’s development as part of the City’s Art in Public Places requirements of development. Two works by Jeppe Hein will grace the site with a work of mirrored steel the public will be able to walk through in the public park and a powder coated aluminum bench along the extended greenway. Along the Greenway, another work by Hank Willis Thomas will form the nucleus of a sculpture garden along the Emeryville Greenway, as it is developed through the site. Jim Campbell will also install a work on the Building D wall adjacent to the Sculpture Garden. Mr. Campbell’s work is known for integrated LEDs. Combined the artists will install $900,000 of new artworks and expand the city’s reputation for public art. For more information on the Art in Public Places Ordinance see Emeryville.org/1046. For more information on public art in Emeryville see emeryville.org/publicart

On December 19, 2019 the Emeryville arts community will gather at the Senior Center at 4321 Salem Street in celebration of the City’s continued support of public art with the installation of its newest acquisition. The work included four pieces called “Betty, Dave, Myra and Ruth,” each are hand dyed and repurposed fabric with embroidery depicting a portrait, each 26” x 26”. In the 34th-year of the Celebration of the Arts, the City acquired the latest addition and installed it at the top of the stairwell on the second floor of the Senior Center. The pieces are part of a broader collection acquired by the City, of Emeryville artists since 2006. And, as done for the last decade, the City purchased work selected from the Emeryville Celebration of the Arts exhibition, concluded in October of this year. The pieces, like all Public Art works acquired by the City, were selected by a panel, recommended to the Public Art Committee and approved by the City Council. The collection is predominately in City Hall but now has a piece in the Police Station on Powell Street and several works at the Senior Center. These acquisitions are part of the City’s larger Art in Public Places Program.

EMERYVILLE CITY NEWS

MEASURE B/BB LOCAL STREETS AND ROADS FUNDS

In November 2000, Alameda County voters approved Measure B, a 0.5% sales tax, to deliver essential transportation improvement and services. In November 2014 voters approved Measure BB which provided for a 30 year extension of the 0.5% sales tax and an additional 0.5% to bring it up to a 1% sales tax. In November 2010, Alameda County voters approved the Vehicle Registration Fee (VRF) Program, thereby authorizing the collection of an annual vehicle registration fee starting in May 2011. Funds raised by the VRF Program are for local transportation purposes in Alameda County.

Each year, the City of Emeryville receives approximately:

- $500,000 in Measure BB funding to improve and maintain our local streets and roads
- $50,000 in measure BB funding to construct and upgrade pedestrian and bicycle facilities
- $60,000 in measure BB funding or paratransit assistance to aid in the mobility of seniors and persons with impairments
- $45,000 in Vehicle Registration Fee funding to reduce congestion and vehicle pollution

As part of our Measure B/BB funding commitment to improve and maintain our local streets and roads, the Public Works Department completed a large scale project in Fall 2018 which paved and slurry sealed nearly 33% of the City’s streets (1.08 Miles of repaving and 5.76 Miles of slurry seal). The FY 2019/2020 Annual Street Rehabilitation and Preventive Maintenance project is expected to be completed in Spring 2020. The FY 2020/2021 Annual Street Rehabilitation and Preventive Maintenance project is expected to be completed in Summer/Fall 2020. The projects will include many bicycle and pedestrian friendly enhancements as part of the re-striping of streets throughout the City.

More information and future project updates for our Annual Street Rehabilitation Program can be found on the City’s Construction Project website (https://www.ci.emeryville.ca.us/1215/Annual-Street-Rehab). Stay current on project notifications via the City’s Twitter (@EmeryvilleCA). More information about Measure B/BB is available at https://www.ci.emeryville.ca.us/354/Measure-B.
In an emergency or disaster, when minutes count, communication is the key but can be difficult at best as evidenced by the North Bay & Camp Fires. Most mass notification systems, including the City of Emeryville’s, are based on reverse 9-1-1, which works well if you have a land line, but not so well if you only have a cell phone. However, residents can opt in to receive emergency notifications. The City urges all residents and anyone who has business in Emeryville to sign up at www.acalert.org to receive emergency notifications. AC Alert will provide you with critical information quickly in a variety of situations, such as earthquakes, fires, severe weather, unexpected road closures, missing persons and evacuations of buildings or neighborhoods. You can select to receive notifications for your home city, work location, and other sites of your choice on your home, mobile or business phones, e-mail address, text messages and more. AC Alert is a unified system for Alameda County residents, businesses, and visitors.

The City’s CERT (Community Emergency Response Team) hosted an informational table at the Rotten City Block Party on August 24th. Attendees at the event could spin a prize wheel, answer a question on Disaster Preparedness and win a prize. Prizes were given for both right and wrong answers. The theme of the table was “Preparing Pets for a Disaster.” When making an emergency plan for your family, do not forget to include your pets in your planning!

The City’s CERT team is looking for more members. We hope to host another CERT Training Academy in Emeryville in 2020; however, in the meantime, community members are encouraged to join our team now as a volunteer. As a volunteer you can attend all CERT Team meetings and trainings until you complete the CERT Academy and officially become a registered Disaster Service Worker/CERT Team member. If you are interested in learning more about the City’s CERT Team, please contact Lori Elefant, the City’s Emergency Preparedness Coordinator at lelefant@emeryville.org to learn how you can become involved with the City’s CERT Team.

Emeryville’s Continued Success with See Click, Fix!

See Click Fix is a website (and app) that allow citizens, residents and visitors to quickly and easily report problems such as potholes, graffiti, drainage and flooding. These reports – and any photos taken – are then forwarded directly to departments throughout the city with all the information needed to get the job done.

Emeryville, CA has been an official SeeClickFix partner for three years now, and many members of the public use it regularly. The platform offers a centralized and integrated management system whereby city officials can communicate with citizens, track issues and monitor success. This unified and citizen-connected platform help maintain both the quality and efficiency of service throughout Emeryville.

Senior Citizens Emery GoRound Property and Business Improvement District (PBID) Rebate

On February 2, 2016, the Emeryville City Council adopted Resolution No. 16-08 to establish a Property and Business Improvement District (PBID) Senior Rebate Program. If you are 65 or older, own your home and pay an assessment on your property for the Emery Go Round PBID, you may apply for a Senior Rebate that could mean savings for you.

HOW DO I APPLY AND RECEIVE A REBATE?

Where can I get an application?
• The application is available through the City of Emeryville Senior PBID Rebate Program.
• By calling: 510-450-7801
• By emailing: rconnor@emeryville.org

When can I apply?
• The deadline for submitting an application is May 1. Each fiscal year (June-July) the City will send an application to prior applicants at the end of March.
• New applicants can submit their application on or before April 1 of each year. Applications for prior fiscal years are ineligible for rebate.

How will I get the Rebate?
• Eligible seniors will receive the Rebate by mailed check from the City of Emeryville.

ELIGIBILITY FOR THE SENIOR PBID REBATE

To be eligible for the Senior PBID Rebate:
• You or your spouse or registered domestic partner must be 65 years of age or older by December 31 of the year prior to your move.
• You or your spouse or registered domestic partner must own your residence, and be liable for paying the PBID assessment on your principal residence.
• You and your spouse or registered domestic partner must claim this residence as your primary residence.

What is a primary residence?
• A principal residence is a residence in Emeryville in which you reside at least a total of six months each fiscal year (June-July).

I am under age 65 and own my residence, but my spouse is over age 65. Do we qualify?
• Eligible seniors will receive the Rebate by mailed check from the City of Emeryville.

I am over the age of 65 and own two properties. Can I receive the Rebate on both?
• No. You and your spouse or registered domestic partner can only receive one Rebate per year for your primary residence. Secondary residences such as rental properties or vacation homes are not eligible for the Rebate.

I am a senior who rents an apartment. Do I qualify?
• No. The Rebate is available to seniors who own their home and directly pay PBID assessments.

CHANGES IN OWNERSHIP/RESIDENCE

I am moving to a new residence, how do I get the rebate?
Your move will determine if you qualify for a Rebate at your new residence. You are eligible to apply for a Rebate if you own and live in the residence on the property assessment due date. The following is a general guideline:
• If you take possession of your new residence before the PBID property assessment due date, you are eligible to apply for the Rebate on your new residence. In this situation the prior owner would not be eligible.
• If you take possession of the residence after the PBID property assessment due date, you cannot apply for the Rebate on that property for that year, but you can apply for your old residence if you owned and lived at the property as of the PBID property assessment due date.

OTHER QUESTIONS

Does my PBID assessment have to be paid before I submit my application to receive the Rebate?
• Yes. Your PBID assessment must be paid in order to submit your application for the rebate. Rebates will not be processed until after the PBID assessment due date.

My property taxes are currently in arrears. Can I submit an application to receive the Rebate?
• No. An application for the Rebate will not be processed until such time the property taxes are no longer in arrears.

Annual Neighborhood Spring Clean Up in Emeryville

Twice a year, Emeryville single-family neighborhood residents can set out “bulky” items or items that don’t get collected in regular trash collection. One of those pickups can be scheduled individually by calling Waste Management at (510) 613-8710. The other pickup is the Annual Spring Neighborhood Collection.

Items you can set out for collection include all electrics and electronics, mattresses and tires.

The 2020 Annual Spring Neighborhood Collection will take place on Monday April 6th and Tuesday April 7th, on the regular collection day for your neighborhood. For more guidelines and details, watch for a postcard in the mail, or check the City website: http://emeryville.org/1183/Residents, or contact City Environmental Programs at (510) 596-3795.

GOLDEN GATE LIBRARY

The City of Emeryville contracts with the City of Oakland for public library services, and by obtaining an Oakland library card, Emeryville residents have access to the statewide public library system - including Berkeley Main and Albany.

The Golden Gate Library is Emeryville’s “branch” library. Golden Gate has a collection of approximately 35,000 items. Circulating materials are largely of popular interest with a strong emphasis on fiction and jazz music. (Golden Gate is well known for its Golden Gate Friends sponsored Summer Jazz on Monday series. The African American collection is 1 of the largest branch collections in the system.

Special-interest collections include a small performing art collection (including storytelling, reader’s theater, puppetry, and drama), and a collection of chess “how to” books for all ages. The East Indian collection includes books for adults and children in Hindi and Punjabi, DVDs of Hindi cinema (“Bollywood”), and CDs of many genres of classical, folk, and pop music from India.

The library also has a collection of downloadable ebooks and audio books. Golden Gate Library is equipped with 13 computers with Internet access, and word processing available for public use. The library also has a community meeting room with capacity for up to 50 people.

For more information, including programs such as Henna Tattoos for Teens or to find out how to obtain a library card, the days / hours of public libraries in the area, visit the Golden Gate Library Website at: http://oaklandlibrary.org/locations/golden-gate-branch
