

Services & Information

FREE RECYCLING & COMPOSTABLES COLLECTION - 2 YARDS OR LESS

Businesses generating two (2) cubic yards or less of trash a week (defined as Small Business) are eligible for free recycling and compostables collection – for a total of 264 gallons in separated materials.

REDUCED RATE RECYCLING & COMPOSTABLES - 2 YARDS OR MORE

For businesses that generate more than two (2) cubic yards of trash per week, compostables and recycling services (defined as Large Business) are available for 50% of regular garbage rates. Waste Management is the exclusive provider of this one-stop shop collection service.

FREE INDOOR RECYCLING & COMPOSTABLE CONTAINERS

To assist you in your recycling efforts, the City of Emeryville is offering free indoor containers (while supplies last). Contact the City of Emeryville (below) to get your containers.

FREE WASTE ASSESSMENT

Determine the most cost-effective solid waste management options with a free on-site assessment from Waste Management. Select right-size containers for trash, recycling & compost to save your business money (contact below).

FREE BATTERY COLLECTION FOR CUSTOMERS WITH GRAY RECYCLING CARTS

Place household batteries (AAA, AA, B, C, D & small button batteries), including rechargeable and cell phone batteries in a clear plastic bag, seal shut & tape to the top of the gray recyclables cart.

All other customers please visit WM.com.

LAMPTRACKER PROGRAM TO RECYCLE CFL BULBS

To protect your health and the environment, California law requires compact fluorescent light (CFL) bulbs be properly disposed. Waste Management offers a simple solution. Collect bulbs in LampTracker's Mercury VaporLok bag and mail them back in the provided pre-paid postage box. It's that easy. Visit WM.com.

BUSINESS HAZARDOUS WASTE

For hazardous waste or other special handling items, please visit www.stopwaste.org/recycling/business/household-hazardous-waste/business-hazardous-waste.

STOPWASTE

StopWaste has answers to all your recycling/disposal questions. Remember plant debris is banned from trash containers. Please use your compostables collection container provided by Waste Management – it's easy with Waste Management's composting collection service.

Visit StopWaste.org or Emeryville.wm.com for more information.
