

MORE SERVICES

WM EARTHCARE

CLOSED-LOOP YARD CARE SOLUTIONS

Become a consumer of recycled products. It's easy. Use 100% recycled, locally sourced and produced compost and mulch in your garden. Close the loop on Alameda County food scraps, yard waste and clean wood scraps when you use WM EarthCare™ products. Nourish your garden while reducing your carbon footprint.

Visit www.wmearthcare.com or call 1-877-WMEARTH.

BAGSTER

Ideal for contractors and do-it-yourselfers, the 3-cubic yard Bagster® bag is perfect for taking on jobs like: renovations and remodeling, home and garage cleanup, concrete and stone work, and roofing.

Go online to thebagster.com or call 1-877-789-BAGS (2247) to schedule and pay for pickup.

MEDWASTE TRACKER

Help to protect our community from sharps injuries. Disposing of used syringes and lancets in the trash is illegal in California. Waste Management's MedWaste Tracker provides for the safe containment, collection, and destruction of used sharps. All in the convenience of your home with a pre-paid postage return box.

Available at www.thinkgreenfromhome.com

LAMPTRACKER PROGRAM

To protect your health and the environment, California law requires fluorescent light (CFL) tubes be recycled. Waste Management offers a simple solution. Collect bulbs in LampTracker's Mercury VaporLok bag and mail them back in the provided pre-paid postage box. It's that easy.

Available at www.thinkgreenfromhome.com

STOPWASTE.ORG

The StopWaste Business Partnership offers free technical and financial assistance to help businesses optimize waste reduction and environmental efforts. Learn more at www.StopWastePartnership.Org, where you can download helpful guides on topics such as reducing paper waste and green maintenance operations, learn about the plant debris landfill ban, and find other resources to help make your business more sustainable.

ABOUT YOUR SERVICE PROVIDER

Waste Management of Alameda County is a community-based provider of waste, recycling and composting services. We are closing the loop on waste – turning food scraps and yard waste into compost, lumber debris into mulch, and landfilled waste into bio-fuel. This clean-burning fuel helps to power our new collection vehicles in Emeryville. Working together, we can achieve the City of Emeryville's diversion goals and Climate Action Plan.

NEW SERVICES

REDUCED RATE RECYCLING/COMPOST

For businesses that generate more than two (2) cubic yards of trash per week, compost and recycling services are available for 50% of regular garbage rates. Waste Management is the exclusive provider of this one-stop shop collection service.

FREE WASTE ASSESSMENT

Help maximize your service options and reduce trash. Determine the most cost-effective solid waste management options with a free on-site evaluation from Waste Management. Select right-size containers for trash, recycling and compost to save your business money.

Here's an example of how an assessment and continuing smart waste management can save money:

BEFORE		AFTER	
WEEKLY SERVICE	COST	WEEKLY SERVICE	COST
1 – 7yd trash	\$704.69	1 – 4yd trash	\$402.68
		1 – 2yd recycling	\$100.68
		1 – 1yd compost	\$50.34
	Total \$704.69	Total	\$553.70

A total monthly savings of \$150.99 in services!

Call (510) 613-8700 to schedule your assessment.

FREE RECYCLING & COMPOST COLLECTION

Businesses generating two (2) cubic yards or less of trash a week are eligible for free recycling and compost collection – for a total of one (1) cubic yard and a 64-gallon cart in separated materials.

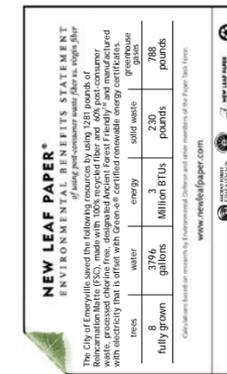

FREE BATTERY COLLECTION

Cart-based recycling includes household batteries (AAA, AA, B, C, D and small button batteries) and rechargeable and cell batteries collection. Place batteries in a clear plastic bag, seal shut and tape to the top of the gray recyclables cart.
