2021-2022 General Family Handbook

Dear Parents & Guardians,

Thank you for trusting us with your child! We are very excited to have them in our program. This handbook will help you in making the most of your experience. Keep an eye out for emails and newsletters with specific information for your activity. Here are the basics, let's get started!

It is likely that the below safety guidelines will change by the time your program begins or even during program. Please be on the lookout for updates on our safety protocols as they occur.

Safety Protocols and Guidelines: We utilize safety guidelines from the Alameda County Public Health Department, California Department of Public Health and the CDC for day camps, recreation programs and non-school settings. For camps, drop-off persons will be required to sign a health screening regarding their participant before being admitted in the morning. Participants will be monitored and set up within spaces/activities to stay socially distant and most program materials will not be shared. There will be a bathroom designated for each group and participants will be sent one at a time (unless the age of participants requires a bathroom buddy). Participants will not interchange between groups and masks will be always worn by participants- even while outside and playing. Materials and frequently touched surfaces will be disinfected at the start of program and a deep cleaning will take place by custodial staff each night. Programs that are full day will have frequently touched surfaces and materials disinfected twice a day. There is a designated isolation room and protocol in place for participants and staff who become ill during program. If a child becomes ill or calls out sick during program your child must be asymptomatic for 24 hours after their last symptom subsides to return. A negative COVID-19 test maybe required for students who are out sick for multiple days to return. Participants who are directed to quarantine by a medical physician must not attend program. Staff are trained in all aspects of these guidelines and self-certify they do not have flu like symptoms every day at the start of their shift. If you'd like more information on our safety guidelines, please call 510-596-4395.

Camp Design: Camps are broken into weekly sessions. There will be groups made up of no more than 15 campers. Each group will have a designated indoor space that no other group will use. These spaces have been reconfigured to allow for social distancing wherever possible. Campers will not be outside with other groups in the same play areas and will eat separately.

Sports Programs Design: Sports programs will be held outside or in large spaces. Masks are to be worn at all times by players, spectators and staff. Materials will be disinfected, and handwashing must occur before and after playing. Teamwork and skill building are the main focus of these programs. Youth and spectators are expected to be respectful, and supportive of all players, referees, and coaches.

Clubs and Workshop Design: Clubs and theme-based workshops are small group based and are usually held in a single classroom. Masks are to be work at all times. Materials will be disinfected, and handwashing will happen at the start of each program. Cooking classes must follow all safety protocols around cleanliness and sanitation.

Leaders in Training (L.I.T.) Program Design: The Leaders in Training program is designed for 9th and 10th graders to get their required volunteer hours, while gaining valuable professional development in the workforce. During the summer, L.I.T.'s are required to work 15 hours while during the school year they are required to work at least 9 hours a week. 11th and 12th graders have the option to volunteer or be hired on as an employee based on City need, candidate interest and skill level.

Program Schedules: Schedules will be provided at time of registration via email.

Daily Attendance/Schedule: Each program has some form of attendance requirements. Please ensure that you know and understand your programs requirements. There is no minimum attendance requirement for camps however, daily attendance will be taken for sports programs, clubs, and workshops. Participants who do not come regularly may not be able to finish the program or play in games. Fees are not determined or adjusted for missed days.

FAQ's

Program Days: Please refer to your program's web page, newsletter, or receipt for program days.

How to sign in: Sports programs, clubs, and workshops that happen after-school will require your participant to sign in at the designated meeting space. This maybe with their coach or teacher in their classroom, on the field or in the gym as expected. Specific spaces will be disclosed to you upon registration. If your child attended school, then that means they do not have flu-like symptoms. A Covid-19 certification by a parent/guardian is not required. All students are required to sign in within 10 minutes of the programs start time.

For camps, participants will sign in at the 53rd street gate on San Pablo. A parent/guardian must sign in their child and certify that their child does not have any flu-like symptoms. Please note that all persons signing in must wear a mask and stay 6ft. away from others.

L.I.T.'s can sign themselves in at their designated start time. They will go the lobby after-school or sign in on 53rd street during camps. Youth are required to sign in within 10 minutes of their start time.

How to pick up: Sports programs, clubs and workshops will have pick up time at the conclusion of their program. Designated pick up spaces will be disclosed at time of registration. The staff will only release participants to those who are on the approved pick-up list. Signature at time of release is required. Please also ensure that you and any pick-up person has identification.

For camps: Pick up will take place between 3:30pm-5:30pm on 53rd street. Please note that camp ends promptly at 5:30pm and not 6:00pm. This will allow our staff extra time to sanitize equipment and spaces before going home for the day. Pick up persons may park, and a staff will approach your passenger side door and call down for you camper(s) via 2-way radio. Please wear a mask during pick up time, stay in your car and/or stay 6ft away from others at all times. Only staff and campers are permitted on campus. Our lobby is open from 9am-6pm if you need additional assistance. You can also call the lobby front desk at 510-596-4395.

Please make sure that all possible **pick-up persons** (other siblings, friends of the family, nearby relatives, etc.) are on the approved pick-up list and are prepared to show ID. We will not release a participant to

someone not on the approved pick-up list or to someone who cannot provide a government issued ID to identify their identity.

We **enforce a late pick up policy for all programs**. There is a 5-minute grace period then a \$1 a minute for the first 10 minutes and \$2 a minute for every minute thereafter.

Participants not picked up 30 minutes after the end of their program and no contact is made with a parent/guardian/approved pick up person, will be released to police or Child and Family Services custody.

What are these? Ouch Reports and Thought You Should Knows:

- **Ouch Reports** are reports we give to parents if a minor injury occurs, and first aid was given
- **Thought you should Knows** are given to parents if there is anything we think you should be aware of whether it be of a good or concerning nature. Multiple sad face thought you should know due to negative behavior may lead to a temporary or permanent dismissal and/or a behavior plan. There are no refunds for participants who are dismissed, sent home, put on a modified schedule, or suspended due to behavior.
- **Safety Notes:** Youth will be given safety notes that track how many reminders staff have given your participant regarding mask wearing, washing hands, and staying socially distant. We encourage students to follow these safety guidelines for health reasons. If participants are not able to follow these rules, they will be excused from program upon the 4th safety note given.

Note: You will get Ouch Reports, Thought You Should Know's, and Safety Notes within 24 hours. If a parent or guardian does not pick up their child, we will scan and email them to you. Also, some "Ouch Reports," or "Thought You Should Knows" may come with a courtesy call or a request for immediate pick up. Immediate pick up must happen within 1 hour of the call. Repeated non-pickups may result in termination of services.

Concussion/Concussion Symptoms: If a child sustains an injury from the neck up, staff will ask the participant a series of questions to gauge concussion symptoms. If they are showing symptoms, we will call 911 emergency services to conduct a more in-depth health screening. If they determine the participant needs medical care, they will take them to Children's hospital, or the hospital identified on your application. We will contact you when medical personal is called or sooner. If you can get to the ECCL prior to transport your child will be released to you, but it is up to emergency personnel. All participants must receive medical clearance or modified activity paperwork in order to return to program.

Staff Names are traditional camp names like, "Hoopz," "Espresso" or, "Ace". We do this to encourage students to be playful, get to know staff, and have fun at the Rec.

Lost and found: It is located in the ECCL lobby. Any loose items left at the end of the day will be put there. We will give all items away 1 week from the end of program.

The City is not responsible for lost or stolen items.

Field trips may take place during program. An additional field trip form will be required for trips that are not already pre-planned at the time of registration.

Lobby hours during program: 9am-6pm. We strongly encourage you to complete all forms electronically and conduct any payments over the phone or online whenever possible. If you still need assistance in-person, please call ahead of time (510-596-4395). Please check your program notice for any specific changes prior to each session.

Fees/Payment: There are no refunds, transfers, or prorated pricing for days not attended. If you are choosing to sign up for programs in advance, full payment, all paperwork, and any orientations are all due at the time of registration. Sliding scale and vendor options are available for some programs, contact us for more information 510-596-4395. Your child is not fully enrolled in our program unless all components of the registration process are completed. Please refer to the payment deadlines, on the website, or on your program receipt.

An **application and all liability waivers** need to be filled out in full along with a signed concussion form and signed family handbook for each participant or they may not participate in program.

General Rules

Food/water:

- For camps: breakfast, lunch and a snack are provided by the City. Snack is provided for after-school clubs, sports, workshops, and the LIT program by Emery Unified. Please identify any food allergies on your application. Food preferences may not be enforced during our program but will be encouraged.
- Outside food is permitted and we ask that it is healthy and nut-free and eaten only during designated times.
- Each student **MUST** bring their own labeled reusable water bottle. Drinking fountains will not be readily available.
- Food delivery is not permitted. Parents/guardians may drop off food during designated times.
- Students are never to share food so that we can avoid any allergic reactions and minimize the risk of exposure to Covid.
- There are vegetarian options for meals but not vegan options.
- Gum and candy are not allowed at program.
- Please ask a supervisor before you bring any celebratory sweets for participants. These many are not permitted during certain times of year.

No toys can be brought from home, including fidget toys (if not being used properly). If we see them, we will only return them to a parent/guardian.

All **medications** need to be disclosed on the registration form and held at the front desk. For safety reasons, please do not hand them to a group leader, this includes asthma inhalers and epi-pins.

Medical Conditions including allergies need to be disclosed on the application form. We need to know this ahead of time in order to properly assess your student during our health screening. If your child is feeling ill, we may require an immediate pick up and/or a doctor's note in order to return. If your child has severe allergies, please let us know now, on the application so we don't confuse them with being sick.

Illness: If your child becomes ill at program, we will call for an immediate pick up (within 1 hour). Any participant who is observed to be ill will be isolated in a dedicated space until they can be picked up. If your child has the following, they cannot attend program: Coronavirus/COVID-19, fever, diarrhea, vomiting, pink eye, flu/stomach flu, conjunctivitis, rash, impetigo, lice, hand/foot/mouth, tuberculosis,

roseola, measles, rubella and, mumps. You may need to receive medical clearance prior to returning to program. Please see the COVID-19 liability waiver for more detailed information.

Electronics/Cell phones are not to be used during program unless directed to by a staff for an activity. Please make sure that you're calling the front office if you'd like us to relay a message to your participant. 510-596-4395.

If your child needs **one on one or small group support** due to a behavior, cognitive or physical abilities please let us know by indicating such needs on your application.

All participants should be able to understand the importance of and adhere to the mask rule, social distancing, and safety precautions prior to enrollment.

Adult Code of Conduct: ECCL and Anna Yates Elementary are closed campuses until further notice in order to limit the spread of COVID-19 with the exception of pre-planned rentals. In which case our program will not use the areas where rentals are taking place. If you need to come on campus during program, please enter the A1 gate on San Pablo and enter the ECCL lobby to talk to a staff person. We strongly encourage you to complete all registration forms electronically, pay fees over the phone/online, and call/email us whenever possible.

The below are general guidelines for adult conduct. We expect that all parents/guardians and pick up persons (adults) to conduct themselves as role models for the youth we have in program, even when there is no youth around and to follow all health guidelines.

- All adults on campus must follow all our health and safety procedures and policies.
- Requests for exceptions or program improvements must be directed to a supervisor and not group leaders or office staff. They do not have the authority to make exceptions or make programmatic changes.
- Use appropriate, professional, and respectful language and tone of voice at ALL TIMES. Whether having a casual conversation, asking a question, voicing a concern, or airing a complaint, inappropriate language should NEVER be used. Such language includes profanity, insults, racial and ethnic slurs, offensive language relating to gender identity, physical appearance, or sexual orientation.
- Adults or older family members may not approach a student or group leader to resolve a conflict. This can be considered a verbal assault or harassment. If you would like to request a mediation or discuss a concern, please contact the Youth Services Supervisor.
- The authorities will be called if an adult arrives to campus under the influence of drugs or alcohol (including marijuana when driving a vehicle).
- Adults who are wearing inappropriate clothing will be asked to cover it up or to wait outside for their participant. Depending on the child's age, a City staff will walk them out to you.
- Personal relationships with City staff will not be allowed to compromise the quality or integrity of any City programing.
- Sexual harassment will not be tolerated.

- Spectators at sporting events must use respectful language and supportive encouragement toward students, coaches, referees, staff, and other patrons. Inappropriate language or behavior may cause someone to be asked to leave the event.

Mandated Reporting: We are all mandated reporters. physical aggression toward students in our presence or any suspicion of child abuse will be reported to Child and Family Services.

Any adult that violates our code of conduct will be asked to leave campus and a formal request to restrict them from the campus may be made.

Behavior Standards for Participants

Our goal is to provide a safe, positive environment where your participant can grow and develop. We have created rules that contribute to this safe and harmonious atmosphere. It is important that all participants and parents/guardians review, understand and support these rules prior to the first day of program. Please let us know if you have any questions on the following program rules.

Program Rules for Participants:

- Always wear your mask inside and during transitions between outside and inside.
- Maintain 6ft distance between yourself and others at all times.
- Do not leave campus and return during programing. Only L.I.T.'s can go off campus prior to their program start. All other participants after-school must report directly to program within 10 minutes of their start time.
- Do not share materials with others and encourage those who need something to ask a group leader for it.
- Cooperate with staff and follow instructions. If you have a question or suggestions, respectfully ask, or give it.
- Respect other children, staff, equipment, and facilities
- Be open to new ideas, experiences, and have fun!
- Stay with assigned group and staff at all times. Ask for permission to use the restroom so staff know where you are. Only go to where you have permission to go and return in a timely manner.
- Foul language, physical aggression, and bullying will not be tolerated.
- Toys and electronics need to be kept at home. Cell phones need to be off and away. If you need to make a call to a parent or guardian, please check in with your group leader.
- There is no fast food, junk food, candy, gum, soda, or sports drinks allowed in program
- If there is a conflict, try to use calm language or ask an adult to help solve it with you. A physical altercation based on an argument or miscommunication is not justified. Self-defense is defined by the City as using physical force to escape a physical assault already in progress. Retaliation is not self-defense.
- Students that are not able to meet our safety or behavior expectations will not be able to come on field trips.

Other items to bring/wear to camps/programs:

- Feel free to bring books with your child.
- Book bag or similar item that can be zipped or securely closed so items don't fall out. Bags will be stored in designated cubbies or on the child's designated seat. Sharing of bags will not be permitted.
- A change of clothes for sports, garden, or art programs.
- Socks and sneakers (no sandals, slides, open toed shoes, or flip flops).
- Sweatshirt and/or jacket (it can be chilly in the morning)
- All loose items should be labeled with your child's first and last name on it.
- Additional pants for younger students if applicable.
- Swim items on swim days
- Sunscreen (note: staff are limited in applying sunscreen to participants)

Final Reminder:

- Masks should be your child's size and fit comfortably for full day use. Please arrive with a mask ready to have fun.
- All safety guidelines are for the protection of you and your participants. Our goal is to provide a safe and fun program for all.
- Please let us know if it is not already indicated on your participants application of any medications or allergies your child has.
- You and/or your approved pick-up person will be asked for their ID until we are able to recognize everyone's faces. Please be prepared to show your ID and pass along the message to anyone picking up your child.
- All participants are to positively participate in activities at all times. In the event your child is unable to do this you will be called to pick them up. Frequent behavior disruptions may lead to your participants dismissal from program. Please review all behavior expectations with your child prior to the first day of program.

The City of Emeryville does not discriminate. All children regardless of race, religion, color, creed, or national origin are eligible to participate in the program. We also comply with the Americans with Disabilities Act and will provide reasonable accommodations for persons with physical and/or mental limitations or disabilities without undue hardship to the City. We also refrain from any religious practices.

The “Rec” General 2021 Family Handbook Signature Page

I understand that I have access to this family handbook online at the City of Emeryville website and it is my responsibility to read and follow all the points outlined within it. If I have questions, I understand that I need to ask for clarification before enrolling fully into this program. I further understand that all policies, program components, and procedures are subject to change.

Please initial next to each statement to ensure you read and understand the policies regarding each expectation.

- I understand that my continued enrollment in program is based on my participants positive behavior and continued attendance.
- I understand the goals of this program and all program components.
- I understand that all food/drink must be nut free and healthy for students. Any specialized treats for the whole group need to be cleared by a Rec supervisor.
- I understand and will comply with this program’s sign-in, sign-out, late arrival and late pick up policy. If my child has permission to walk home, they also understand these policies.
- My child understands and will comply with this program’s toys, cell phones and electronics policy.
- I understand all the fee policies including all refunds and proration limitations. I further understand that if I do not pay by the payment deadline my child will be dropped from program and re-enrollment is not guaranteed.
- I understand the medical and concussion policies.
- I understand the behavior policy expectations for participants. I will review these policies with my child before the first day of program.
- I understand the adult code of conduct and if I violate it that it may result in a formal request to restrict my access to campus or to program.
- I understand this programs' Covid safety procedures which includes the mask policy (mask at all times, unless my child is eating or on a mask break). Mask break areas are made available for youth outside when needed. I further understand that any adults that visit campus, must wear a mask at all times
