Dear Business Owner and/or Manager,

Would you like to reach over 20,000 people every four months and advertise your business in one of the few highly trusted sources for information in the Emeryville area? If the answer is yes, please read below and consider placing your next ad in one (or all) of the next three editions of the Emeryville City News and Activity Guide.

NOTE: Deadlines for submitting your advertisement and contract are the 15th of February, June, or October each year!

Over 13,000 printed copies of the City News and Activity Guide are mailed to all businesses and residences in the 94608 zip code area (all of Emeryville and portions of Oakland). 7,000 more printed copies are placed in local schools and in public locations throughout Emeryville and nearby Oakland (coffee shops, restaurants, hotels, city facilities, etc). Electronic versions of the guide are emailed to over 3,000 active customers (those who have participated in the City of Emeryville's Community Services Department programs in the last year) each season. The electronic version of the guide is also hosted on the City's website for the duration of the season....reaching at least 1,000 more people each few months. I think you won't find better mass exposure to the businesses and residents of Emeryville and nearby Oakland neighborhoods.

You'll also be helping your community by funding the production of the guide, thus enabling funds that were dedicated to guide production to go towards additional quality youth, adult, and senior programs and community events...a real win-win for your company and the community!

Please note that because of (1) the many classes, events and other programs geared towards children, (2) the financial benefit realized from maximizing participation in many of the City operated recreation programs and (3) the City's interest in maintaining a position of neutrality on political and religious issues, advertisements will not be accepted for:

1. Tobacco or alcohol products
2. Programs in direct competition with services offered by the Community Services Department
3. Campaign materials for elections
4. Pornography, solicitation of criminal activity, and depictions of graphic violence.

In addition, the City reserves the right to refuse Guide space to other potential advertisers based upon content of material. The Community Services Director will make decisions regarding allowing material in the Guide.
